---

Dear Seventh Graders:

We are looking forward to having you in class next year. It will be very important that you are organized so you'll be ready to learn. There are some things that we feel are important for all students to have. If buying any of these is difficult, we have some supplies available to help out. Please contact the office or Mrs. Delmonico ([debra.delmonico@msad72.org](mailto:debra.delmonico@msad72.org)).

If you wait to buy supplies near the end of the summer, most stores have good sales on very affordable supplies.

Please bring to school on the first day:

- an assignment book/planner
- one binder/organizer for keeping an assignment book and important papers
- several blue/black pens
- several pencils
- several single-subject spiral notebooks
- a two pocket folder for each class
- a protractor AND calculator with positive and negative keys

The following would be nice to have if you are able, but some of these items are also available in classrooms:

- earbuds or headphones
- ruler with standard and metric units
- small scissors
- colored pencils and markers
- glue stick
- cap erasers

Please keep in mind that backpacks with wheels do not fit into school lockers.

**When clothes shopping for the fall, it might be wise to consult the school's dress code beforehand. (found in the school handbook)**

Enjoy a safe and fun summer, and come ready to learn in the fall!

Sincerely,

The Seventh Grade Teachers
